

Are conflicts and “personality differences” damaging your company?
Does “playground” behavior disrupt the flow of work?
Have turnover, productivity, or teamwork been affected?

What can you do about it?

Mediating Solutions offers a webinar series designed to train HR practitioners and business professionals with the skills of a conflict resolution professional.

Peace-Maker Training

This 3-part series provides participants with several essential tools for **Managing Conflict** including:

- Getting Honesty during Investigations
- Creating Conflict-Free Communication
- Dealing with Difficult People
- Resolving Conflicts between Others

PLUS – All attendees are invited to schedule a **free 20-minute individual consultation** with Candice to address their specific training needs!
